Thread: [Free \\$X.XX Passive Income Daily | Works Globally | Highest Paying 2022](#)

Upgrader - June 19, 2022, 5:10 pm

This is the highest paying passive income 'method' or program in this sector. Thought I'd share it here as I've seen other members sharing lower paying alternatives.

If you cannot afford the byte fee leave a reply below and I will QL (send 10 bytes) so you can buy it.

It's an app that uses your spare bandwidth for who knows what and gives you money for it. If you're interested in that go ahead and get that, if not then you saved 10 bytes.

PS theres nothing wrong with it using your bandwidth, just letting people know what they are getting
