If you have the capital to invest and knowledge this could be of interest to you:
<https://hackforums.net/showthread.php?tid=6209275>

Not looking to sell the service (it requires me), although I am more than open to a fair rev split.

For Sale Make me an Offer

Lrrr - July 20, 2022, 4:58 pm

I have a website that makes about 8-20 per day. No work needed other than paying for servers which cost me about 6 dollars a month. I have all relevant Google analytics data you may want.

I am interested. Could you PM me with more details, and the asking price?

Thanks
