Thread: [@ memers | Where do u nab your memes from?](#)

Its_Just_Business - June 20, 2022, 6:14 pm

Best thing about social media imo is the memes and relatable posts, so this brings my question,

Where do you nab your memes from?

For me it's TikTok and iFunny with a side of reddit.

vegetajgd - June 20, 2022, 6:17 pm

Well right now its just plane simple google search for me. And i get Loads i mean loads of them :D
So no particular site per say, but google does the job for me :)

Zexo - June 20, 2022, 6:18 pm

Usually instagram. But most of the big accounts post ads now.

Raymond Reddington - June 21, 2022, 7:35 am

Imgflip when I'm making some memes, I do find some really funny ones while doing so.

True, their quantity is huge and this is the best.

I think that the more memes that amuse us, the more cheerful our day is??
