Thread: [\[VB .NET\] Exe File Pumper](#)

Midi-Chlorian - June 21, 2022, 12:16 pm

~~~

Details:Language: VB .NET

Pumping Range 10 - 100 KB/MB

Output exe is same as input exe

Pumping is max 10 seconds (depending on computer)

How can you review it, if you haven't purchased the link.txt yet...

**Royal !** - June 26, 2022, 3:04 am

Good contribution. This will help many new learners.

**Midi-Chlorian** - June 26, 2022, 1:18 pm

If anyone would like to look at the source code, PM me.

**jmark7** - June 26, 2022, 11:23 pm

As you have mentioned vb.net in the title, are you releasing the source or only the compiled version?
