Thread: [300+ google reviews with italian names](#)

carlo12c - June 22, 2022, 2:24 am

I'm looking for someone that can do 300+ 5 stars reviews for my italian local company with italian names or if you have a bot to sell it s also ok, i ll send the texts so it's only copy and paste,please let me know terms and price

telegram: @carlo12c

thanks

If you still require assistance with the reviews, get in touch with our team, we have a Google Reviews Bot that can do this for you.

Bakin - June 24, 2022, 1:14 pm

I have a bot that you can test before purchasing, let me know.
