[ACCOUNTS ARE ADDED DAILY]

Introduction :

Hello,

I am looking to Sell some CSGO trade / shadow banned accounts.

I have a list of cheap accounts starting at \$40+ (non-prime)

Includes : Original email and Faceit Available

If you are Interested let me know, I will respond as soon as I see a reply.

Any transaction done will be in crypto and through a middleman.

All account prices are negotiable at the moment.

What's so special about these accounts? I don't get the price.

I cannot post links yet, so if you ask I will send you link via DM on Discord, the accounts basically have \$200+ of CS GO skins in them, but if they are trade banned, then you cannot trade skins, but you can still play with the inventory.
