Thread: [Discord Tokens Sale \(For Massive Spamming\)](#)

Proxies.tv - June 23, 2022, 12:40 am

For those of you looking to mass market / spam all over discord, you need tokens for your bot software. That's what this thread is all about. For those of you that do your marketing by invading large or even huge discord channels with 10,000 or more users, this product is specifically for you.

For those of you that are already masters of discord channel spamming, you know the feeling of sending in a few hundred bot users into a large room and then sitting back while your army simultaneously spams the living fuck out of every user in that channel in just a few minutes time. How fast you can spam 50,000 users in under 6 minutes is marketing like nothing else.

For the uninitiated, this is a marketing method whereas you send in a couple hundred discord bot accounts that can all simultaneously spam every other user in a large channel at the same time. Imagine a multi-threaded spammer at high speed using hundreds of different accounts. And who on discord doesn't read a private message sent to them? It is nothing more than natural curiosity. And depending on the messaging your sending, and the niche or channel your sending it to, depends on whether your going to sell your product or service or not. A short professional message and a link or call to action is all you need. It is not rocket science. Market your services to the right niche and watch your business flow. It is as simple as that.

Pricing for tokens are as follows:

Discord Email Verified Tokens (100 Tokens): \$10 USD
Discord Email Verified Tokens (250 Tokens): \$25 USD
Discord Email Verified Tokens (500 Tokens): \$50 USD
Discord Email Verified Tokens (1000 Tokens): \$100 USD
Discord Email Verified Tokens (2500 Tokens): \$250 USD
Discord Email Verified Tokens (5000 Tokens): \$500 USD
Discord Email Verified Tokens (10,000 Tokens): \$1000 USD
Discord Email Verified Tokens (25,000 Tokens): \$2,500 USD
Discord Email Verified Tokens (50,000 Tokens): \$5,000 USD

These are email verified only or do you have phone verified ones aswell?

Proxies.tv - June 23, 2022, 8:42 am

I have phone verified as well.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
