Thread: [Received a free \\$11k crypto airdrop\(Optimism\)](#)

Cryptochadpupper - June 23, 2022, 8:54 pm

I recently received a gift for being an active user on the Optimism crypto blockchain. I thought I'd share the news since I don't see airdrops discussed on this forum, and I think people in this forum should get more involved in cryptocurrencies/defi. You can become eligible for these crypto gifts simply by being an active user on dApps. (decentralized applications)

I managed to sell 7331 of my airdrop reward at a rate of \$1.5 each, totaling \$11k

The Optimism team is planning on doing airdrops in the future, as confirmed by them, so it may be worth doing small actions on there. I certainly will!

And I thought that Airdrops is just pure speculation and that it can't bring real benefits?
Anyway, congratulations on your profit??

First time I hear about someone being able to cashout an airdrop, well congratulations!

There are hundreds of airdrops which are actually valuable, for example last year "LooksRare" airdropped anyone who spent 3+ ETH on OS and had listed something on their "LooksRare" marketplace. Within the first day, the tokens were worth \$2-3k.

Why not. Will check this out. All of airdrops are speculations.

Is this the first time something like this has happened.

Most of the airdrops are actually useless as shit, but in OP's case I guess it was a serious project. Ahhh okay. Thanks.

Acidtone - September 9, 2022, 4:49 pm

I've never seen anyone actually cashout a airdrop I'll have to check it out.

Truth - September 9, 2022, 5:06 pm

nice, how hard and expensive is it to be active on it? heard most can't be due to gas fees

SecureOp - September 9, 2022, 5:08 pm

That's an impressive airdrop, kinda thought they were dead at this stage. Any more you'd recommend?

The Pact - September 10, 2022, 5:58 am

Not the case at all.

Sorry for not replying to everyone.

A reminder, they are still yet to airdrop more!

I would suggest interacting with different projects on the chain whilst you still can!
