Thread: [crypto coins to mine with cpu?](#)

kazurengan6 - June 25, 2022, 8:06 am

anyone knows what would be the best coin to mine with a CPU?

Ph4n70M Phr34K - June 25, 2022, 8:14 am

xmr or rvn is the most profitable on cpu

Upgrader - June 25, 2022, 8:14 am

Monero is probably the best bet.

jmark7 - June 25, 2022, 11:35 am

Monero is the oldest and tested coin.

S2K - June 25, 2022, 12:57 pm

+1 for monero, it may not be the most profitable but it's the wise choice

Royal ! - June 26, 2022, 3:39 am

As others have said, I think Monero would be your best bet.
