Thread: [HOW TO EARN \\$200 PER DAY | 1-1 MENTORING | GAURANTEED PROFITS \[LIMITED\]](#)

spiral - June 26, 2022, 10:17 am

Hi, back with another opportunity for some of you guys to jump on.

With this method you can easily earn \$200 (or more) per day with only a couple of hours of work necessary. The work being done is simple and you will just be repeating the same steps to bring you in a nice and consistent profit. The only real limit to how much you can earn, is how much time and money you can invest, if the monetary investment is no issue and you have a group of people who are able to work on this you could grow this business to a very large scale, the demand is there but it also works fine as a solo operation (which is what I do, and can easily earn \$200+ on the days I execute the method).

What you will need to execute the method:

- Be 18+ with ID.
- You should be able to spend 1-2 hours per day on the method.

The method does NOT involve : E-Whoring, Dropshipping, E-com, Gambling, CPA.

Price:

1st Copy - \$500 - SOLD

2nd Copy - \$750 - SOLD

Final Copy - \$1000

FAQ:

Does it work worldwide?

Mostly, but if you are interested in the method please confirm to me your country before and we will make sure everything will be good.

Investment required?

Yes I would recommend starting with \$1000, but you could start with less than that (\$500 minimum) but it will take you longer to scale the operation to the same point as me (\$150-200 profit daily)

How will I get paid?

You can get paid via Crypto or Bank Transfer. Payments can be collected daily.

How quick can I start earning?

You will be setup within a week and as soon as you are setup, you will begin earning!

Any questions hit me up on Discord or Convos, can show payment proof etc to any one interested.

Does involve selling virtual/physical product, service, accounts?

We need to "talk" with other people?

Thanks

How much focus does this work require, and can you get this outsourced by a VA?

Task doesn't require much effort/focus - its pretty simple and straightforward. If you have trustworthy VA will be possible.

Willing to offer \$150 off the first copy. ;)

Interesting method, I'm curious about this.

GLWS OP!

Will to offer the one of the following deals for the first copy if buyer agrees to leave a review (vouch copy)

Either \$400 upfront, or \$250 upfront and then \$250 from earnings. I expect a review to be left though for either option. Good deal, lets make some money together:)

First copy is now sold. Hopefully buyer will leave a review in about a week when they are setup and earning.

2nd copy also now sold.. Third and final copy for now available. Possible more sales at a later date..

I decided to buy a copy, let's see where this goes. Hoping to make good \$ while everything's low.

You really have two threads for the same thing or what?

spiral - June 28, 2022, 4:21 pm

Willing to run same offer for last copy 50% upfront, and 50% from earnings. So \$500 upfront, and then \$500 when you have earned it back from the method :) Anyone interested send me a message.

Method is whitehat?

Does it involve selling and talking to people?

What about the saturation and longevity of the method?

Greyhat.

You will be selling but does not require any interaction/talking to make the sale.

I doubt it will get saturated/patched in the foreseeable future. You will easily make your money back and profit before anything like that happens.

spiral - June 29, 2022, 12:41 pm

Still willing to run the deal of 50% upfront and 50% from profit. Easy money to be made here.

spiral - June 29, 2022, 3:42 pm

One buyer just got setup about 30 mins ago, made around \$100 profit already.. Hopefully a review will be left shortly, last copy still up for grabs :)

Not gambling, crypto, or adult/ewhore scene.

What is required for this setup?

fernquaker - June 30, 2022, 8:19 pm

I have some questions. I apologize if some questions have already been answered.

1. What are the payout options?
2. How often is the payout?
3. Are we getting payout from people or company?
4. How much is the investment required?
5. How much time is needed for the setup?
6. Is it possible to get saturated?
7. Is it scalable?
8. Is it possible to automate?
9. What device is needed to make this up and running?
10. How much daily maintenance time is needed per day?
11. Are we exploiting a website?
12. Did you discover it yourself?
13. How long have you been using it?
14. How much have you earned so far?
15. Does it work worldwide?
16. Is it blackhat or whitehat?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
