You would need to be vetted by [Zexo](#) and [Lynx](#) as they are the leaders of this team.

We will be looking out for some hype squad members for this eSports team. Please let us know your availability as soon as possible.

Lilith - July 2, 2022, 5:53 pm

I'd like to apply for the position of team manager. Right now, it looks like team members are handling recruitment, advertising, commerce, etc. That's just not practical. How can y'all expect to get good practice in if you're always handling business shit. That's where I could come in. Free up time so you gamers can do what you do best. Game.
