Thread: [Good Snapchat and adult traffic source account](#)

Gallardo - June 30, 2022, 9:14 am

I have an account (Female, 23 years old) on a popular dating platform, which is very reputed. It can be a good source of Snapchat traffic or any kind of adult traffic. It's completely up to you how you going to use it. I made more than \$60k from this account in 4 years.

I want to sell it because of my personal issues and need of money.

Popular account with lots of loaded friends and followers.

Suggest me a price. I am thinking of \$2.5k

Middle man accepted.

PM me to ask details.
