Thread: [Factor75 codes | \\$5 | GET FREE FOOD | Massive savings | 100% legal](#)

**Autophobia** - June 30, 2022, 4:56 pm

Title pretty much explains it all I am selling free box codes for Factor75 these codes are good for a box containing 4 free meals for US ONLY. You can order multiple boxes to the same address with no issues. I currently order 32 meals a week. Saving me \$352 per week on food.

This is 100% legal, nothing shady was done to obtain these codes I simply just have to many extra laying around.

You will need a vcc to use these codes I have no issues providing you with VCC's to use if you don't have Revolut or I could even order the meals for you you'll have to supply me with shipping info and what meals you'd like.

Price is \$5 per code I accept btc, cashapp, Venmo, stripe and PayPal for trusted members.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

I still have codes available to purchase! I've been receiving meals consistently for over months now totaling over \$1000 in value.

Why is a VCC needed? What happens if I just use a regular credit card? Would I be charged anything?

Factor is a subscription based meal prep service so yes if you do not use a vcc it will try to bill you for the next box the following week. If needed I can provide you VCC upon ordering.

Sorry I have far to many people contacting me for codes on hf now due to other sellers stopping sales. I get less codes than I used to back when I first started selling them and I assume that's why the other sellers stopped selling too. Codes are limited especially after I run out of my stock pile. So no couch copies. I need all the codes I have for sales.

Will let everyone know how it goes.

Code worked for 4 free meals (\$69.99 off the order). It said I will receive the order Sept 6th so I'll post the box if/when I receive it.
