Thread: [People with a plain black \[BRAND NAME REMOVED\] profile pic, what you hiding?](#)

Eran - July 1, 2022, 7:56 am

Was just swiping through [BRAND NAME REMOVED] earlier today and noticed a lot of girls with just a black pic lol. What are you hiding? What are you looking for? Do we need to fill a form to see how you look?

Nullusia - July 1, 2022, 8:35 am

Don't sweat it bro, they have a nice personality, that's all that matters!!!

RealEU traffic - July 1, 2022, 9:08 am

Swingers bro. Couples looking for other Couples but discreetly

Lilith - July 1, 2022, 11:38 am

Fairly certain it's people just blanking out their profile because they aren't using it atm or didn't like their current photos but didn't have replacements.

Prawnster - July 1, 2022, 11:59 am

Back when I was single, anyone with full black profile was either fuck ugly lil fatties or dodgy couples who can't satisfy each other lookin' for someone to come do it for em ?

molly69 - July 1, 2022, 12:04 pm

1. Black lives matter.
2. Stalking their boyfriends to see if they have a [BRAND NAME REMOVED] and are cheating on them.
3. They are in a new relationship and aren't quite ready to delete it yet as they want to see how things work out.

Never seen a black profile picture on [BRAND NAME REMOVED] lol.

I've never had to use [BRAND NAME REMOVED] thank god.

I remember when it first came out, or became popular, I was about 18 years old and my buddy had an 11 body count in one day, disgusting.

I highly doubt that lol, if a drug dealer has to use [BRAND NAME REMOVED] to make sales:

- 1) isn't a very good drug dealer in the sense he has no business or shame in getting caught
- 2) doesn't have very good drugs, see point 1).

Mr Writer - July 3, 2022, 4:27 pm

I always assume it's women who are wanting to cheat on their partner.

No dude, you just message them asking if they like to smoke. How else would you get shit if you don't know anyone in the city without looking sus?

A dispensary on every other block? Walk into a legal smoke shop and ask someone. Weedmaps. Ask someone at a gas station.

Not like you're looking for crack, you can find weed basically anywhere just no guarantee on quality.

Nope, they'll just pay and bail lol. Sometimes they'll ask if you wanna smoke with them but they're mostly just looking for a one-time dealer

Troy - July 4, 2022, 4:33 am

They're probably trying to take a picture inside of the trash bag they wear over there head and forgot to turn on flash.
