Thread: [Bytes Bonus Days](#)

Omniscient - July 2, 2022, 2:38 pm

I am offering Bytes Bonus Days. All members are now earning twice the normal rate for activity.

New Thread: 3 -> 6 Bytes

Reply: 1 -> 2 Bytes

EROP (Bytes given to thread op for a reply): .5 -> 1

Please note that's the base numbers. If you are in an upgraded group you get a multiplier. L33t get 1.5x and Uber/Vendor get 2x. For example a L33t member posting a new thread will earn $6 \times 1.5 = 9$ Bytes.

These Bonus Byte Days are for a limited time only. Earn while you can. Let's up your activity level and get you some Bytes.
