you should put a warning on this thread that accounts are in risk of being pulled back by original owners.

you will get the twitter account with the name we deal about , also MM will handle those agreements between us and he will hold the payment until the account changed with the name you need there's no risk with that and i grantee that the tick stays forever untill u broke any twitter TOS

Nope , its not pulled by original owner because i'm the original owner of any account i sale there's no suspicious on any account i'm selling

i can give ou this to double check yourself that the account is totally mine with the original email and original verification Email from official twitter Email :)

i dont think i should put any warning ?

Also you welcome to take a look !

Foal - July 11, 2022, 10:13 am

still risky bro, you could just get the money and then pull it back for yourself
