Watch this creepy video from Robert E. Crimo III. This video was made few months ago. He was planning it since months.

How is that a 'creepy video'?

It's creepy because he was planning it since months and talking about it publicly on his youtube videos and discord servers. Did you watched the whole video?

I saw this last night I thought he was more so hinting at a school shooting honestly. But weird as hell none the less.

News today said he was looking to make another mass shoot at few places. Dude was more than a weirdo.

This guy is a loser and deserves nothing less than death.....just like all the other cowards to kill innocent people for reasons that they want to justify.

DeepWeb - July 6, 2022, 1:47 pm

1tach1 - July 6, 2022, 1:50 pm

It's so sad to see such things happening in US so often :(

Isolate - July 6, 2022, 1:55 pm

This is actually extremely disturbing and cringe, I don't know what's worse the lyrics or the fact this

kid even exists.

Nuworld - July 6, 2022, 2:27 pm

It's just another punk ass kid in American thinking he's cool with a gun.
It's just a normal day in America.
Nothing new.

Yeah, he looks like your typical eBoy weirdo. I know one too many dudes that look exactly like him and are right wing extremists. I wonder how long till they snap themselves.

The logo is that of a Finnish nationalist group called Suomen Sisu that's been criticized as being very neo-nazi spirited.

They need to torture people who commit acts like he did. Life in prison with endless torture.

Some seriously f'd up stuff. Always horrible when this happens, but this one hit way too close to home. Literally 10min from my house. I have friends that were there. I was supposed to be there but my kid got sick. Little guy has no idea he may have saved our lives. Heart goes out to those that lost friends and loved ones. :-(

Let Cuthbert know that just because he had a psychotic break down on weed doesn't mean everyone else does too. ?

Robert E. Crimo III looks like your least favourite Sim that you leave to drown in the pool.

He won't even make 5y before killing himself, it's not a secret for anyone.

I kind of laugh at him being such a dumbass that he managed to cross state lines but then turned around and came back. He had a chance of really getting away for at least awhile. But I'll bet he just didn't have enough money to pull that off. And so he turns back and gets caught in his own state. In a different state it would have caused so many legal headaches for the authorities probably, but he handed himself back to them on a platter and confessed.

g00dhum0r - July 11, 2022, 8:49 am

fuckin nerd. Awake the rapper? seriously? Worst poem/rap/whatever the fuck that was. Taking innocent lives and you couldn't take your own? I'm sure they wouldn't mind dressing you up as a girl, since that's what you like to do, and butt rape you in prison. loser.

Roid - July 11, 2022, 1:45 pm

he's a scrawny little coward like rest of these shooters. hiding behind a gun because they're too coward to take on the real world. they feel sorry for themselves when in reality they're just pieces of shits.

should've just shot himself and done the world a favor. these shootings are getting out of hand.

buffalo, uvalde and now this shit?

bk randy - July 11, 2022, 3:15 pm

Ngl the video edit was pretty decent.
