Thread: [Taking requests for emails](#)

twistedgothic - July 13, 2022, 8:09 am

Taking requests for personal emails you would like.

can do almost any 1 char or letter and also 2 char or letter emails.

pm me for requirements

prices are as follows

1 char - 150\$

2 char or unique 80\$

both prices negotiable

taking crypto and cashapp

get them while you can

This service will run for today only

[contract=tid]Start Contract[/contract]

Killua. - July 13, 2022, 9:17 am

what email providers are you offering this for?

Marvelous - July 13, 2022, 2:30 pm

Yeah I am curious about this too. Seems like a obvious piece of info to include..

twistedgothic - July 13, 2022, 4:28 pm

messed both of you so you know

Crust - July 14, 2022, 1:32 pm

Also would like to know what email provider they would be for.

flavoral - July 14, 2022, 1:41 pm

I want to know what email too. PM the info.

twistedgothic - July 14, 2022, 3:22 pm

messed you guys also so you know;)

Cam - July 15, 2022, 9:09 am

What domain is this for? I may be interested!

twistedgothic - July 18, 2022, 4:24 pm

still doing this for anyone who wants it

high - July 25, 2022, 4:28 pm

what domain is it for??? pm pls

twistedgothic - July 25, 2022, 7:13 pm

sent you a pm about this thanks man

Your Plugs Plug - July 25, 2022, 8:48 pm

You should your thread so people don't have to ask lol

Dm me it too please
