everything is so boring
man is this planet actually boring
im tired of it
it bores me to death when people insult me
in every way imaginable.
im ice cold.
only ruud understands me.
i lack empathy.

i am callous.
i am shallow.
i lack affect.
i am cruel.
i show no mercy.
i never forgive.
i don't care, i don't give a fuck

I would also like to get smarter/raise my IQ . Do some of you high iq guys have some tips on how to achieve that?
I see you didn't find a way to raise ur IQ
