Thread: [No chess bros](#)

littleblueguy24 - July 15, 2022, 5:39 am

So to send an invite from chess.com I need an email from whomever wants to play. Also <https://www.chess.com/member/j420691125>

There you go there's my profile do as you wish.

Are you looking for people to play chess with?

If so I recommend posting here: <https://hackforums.net/forumdisplay.php?fid=412>
