Thread: [MLX BOTNET 2.0 | C++ \(x32\) Native Bot | Web Panel | Browsers Recovery | Vouch Copies](#)

mlx22 - July 20, 2022, 8:45 am

?Milonyx? Software only for education! This time we provide PHP files of panel!

What the recovery system grabs?Main->Date

Main->Username

Main->Computer Name

Main->Language

Hardware->CPU, GPU, RAM, HWID, Power Module, Screen resolution

Browsers->Edge->History;Passwords

Browsers->Chrome->Passwords;History;Bookmarks;Autofill;Cookies (not everytime)

Browsers->Firefox->Bookmarks;Cookies;History;Autofill

Browsers->Internet Explorer->Passwords

Browsers->UserAgents (Opera;Chrome;Firefox;Edge)

Games->Steam->Installed Games/Apps

Games->Minecraft->Versions;Mods List etc.

Messengers->Discord->DBLevels; Tokens

Messengers->Telegram->Databases

System->Processes List;Desktop Screenshot;Product Key;Network Scan; Opened Windows List

Additional information about payloadThe Payload hides itself in system under name COM

Surrogate

Payload is a 32bit Native and supports most crypter

Scantime 90% FUD*

Runtime 79% FUD*

PanelView online/offline users count

Bots table

- Bots table shows you connected, disconnected and dead (client didn't connected for 2 or more days) clients

Ability to download passwords recovery log directly from bots table

Ability to add task to each user directly (Download&Execute and more)

Ability to add global tasks, filter target of task (group, country, etc.)

Global tasks function supports On Connect mode to add static task

Ability to set max executions of task

Cloud Files Tab:

- Upload file and get direct link to it!

- Manage your files directly from panel!

And in panel is ability to change password of panel.

Royal ! - July 20, 2022, 8:59 am

C++ seems nice. Well, GLWS.

NotKover - July 20, 2022, 10:01 am

Nice to see a new native loader being sold, GLWS

casperr - July 20, 2022, 4:33 pm

giving any vouch copy for this?

Romanus - July 21, 2022, 12:32 am

if you're offering vouch copies, ill take one! looks promising =)

Best regards,

~Roma

Dragonvixs - July 21, 2022, 1:21 am

Nice to see a native bot on sell. Goodluck

We will be grateful to have a vouch copy.

Seoinsection - July 21, 2022, 7:43 am

looks nice :) any vouch copy available?

Yes, vouch copies are available. Message me in telegram please. (@murtexx)

Kindness - October 25, 2022, 6:22 am

Nice to see a new native loader being sold on the market.

But, there are no reviews of your product.

It seems you are offline from many days !

How do people can communicate with you ?

Hope you will be back very soon.
