Thread: [Made in Abyss - Season 2 Discussion](#)

Oak - July 21, 2022, 3:23 pm

Hot damn. Season 2 off with a bang giving me nightmares. I swear Made in Abyss is written with only one question in mind: "How much further can I take it next episode?"

Each episode I'm like "fuck, that was nuts, jesus christ, can't get worse than that." Then they release the next episode.

Fucking loving this season, so good.
