I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley

Are you doing any vouch copies for this?

It requires prior investment in license + server. Thus, can't give free copies.

But,

I would love to do one Vouch service for a flat 50%. HMU ?

Yo. Don't buy from this dude.

He's a scammer. Changes his name.

Messaged me on discord asking me to remove the review on his last botnet mentor thread. Avoid.

My high ass didn't see he was already banned.
