These are great!

Do you create the artwork yourself?

And no I dont create the actual artwork but I heavily modify it with lots of added additions to give my own twist on it so it doesnt look like im stealing
The first photo tho is my own photography and then i just edited it

I really appreciate the kind words
Thank you, I will be making more in the next few days for my instagram

I have also created a reel on my IG if maybe you want to see the steps in how I did it
