Sorry for my noob questions, can it be upgraded even if I have an active subscription running or I have to wait for it to expire first? thanks

I would recommend just making a new account and cancelling the previous although yes, it is possible.

Yes it does! ?

All Adobe apps, the only benefit you do not get is Adobe Stock (photos/stock assets) although we are selling that separately.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

It's been more than 8 days since I purchased a LinkedIn premium subscription that was supposedly setup for AutoBuy(s), and no response whatsoever from the seller. Invoice ID: 9e38a4-f9a00aef93-94e67b.

Buyers beware!
