Thread: [Award Contest or Upgrade| Up to \\$50 | All members](#)

Gary - July 29, 2022, 3:28 pm

Hi, haven't hosted a contest in a long time.

Contest is for an award up to \$50 from the <https://hackforums.net/buyawards.php> page. Meaning if you win, you can either pick the Emerald Donator or one of the \$50 awards. Or an upgrade to L33T or UB3R.

Be advised, if you pick the emerald donator award or an upgrade, you will NOT be sent the left over money.

There will only be one winner.

Requirements

One post only. If you post more than once you will be disqualified from this.

Leaving +Pop and QL is optional

Your post number will be your ticket number.

I will contact a staff member to roll for a winner in <https://hackforums.net/convo.php>

Contest will end August 5th, 2022. 12PM PST
