Thread: [TWITTER | INSTAGRAM >> BAN SERVICES TO RECOVER SUSPENDED ACCOUNTS](#)

Moxas - July 31, 2022, 2:37 pm

Hey everyone, I am here to help you to recover your Suspended Twitter and Instagram accounts. I could unban almost all Twitter and Instagram accounts with 95% success rate.

To Unban your Twitter-Instagram Account

- Please send me your account name and possible ban reason.
- Provide me your follower number before the ban.
- Also, provide me the ban date.

Prices:

My base price for Instagram unban service is \$80

My base price for Twitter unban service is \$150

I could give you the exact price after you send me your profile name and ban reason.

We could use a trusted Middle man. If I couldn't get your account back I will charge you only \$5 as a service fee. [contract=tid]Start Contract[/contract]

Stanley - August 14, 2022, 11:17 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Do you need it for Twitter or Instagram?

blvckmonk - October 25, 2022, 1:14 pm

What if twitter said they would never remove the suspension? It's been a while but I want my account back and I can't even create a new one without it getting suspended

I can solve this one too. Please send me your username, ban date and follower number before the ban with the screenshot of ban reason.

Hey, I am not working on it right now. But I have friends that work on it. If you want I could get an offer for you. Just send me the details.

It depends on the account and ban reason. The shortest time was 2 hours but sometimes it could take more than 10 days.

Also, there was a general ban problem with Instagram yesterday. If you banned yesterday just wait a few more days. If the problem still continues you can contact me.

hey, is there any way that you can provide some sort of proof that you're able to unban twitters? also, is the price increased based on the value of the @, or does it remain close in the \$150 range?

It depends on the ban reason and user name. Yes, I can show you Twitter emails as proof of unban.

Any chance you can unban an IG that was banned because the linked FB was banned? (Ban reason human exploitation)

Mooooookie - November 2, 2023, 8:39 am

Are you able to get an IG account out of shadowban? Thankfully my accounts are no longer getting banned, but they're definitely effected by shadowban.
