Thread: [Valorant Account](#)

Cloudy - August 2, 2022, 7:54 pm

Looking for something cheapish around \$75-100 but I'm also interested in better accounts or similar to my main.

Rank doesn't matter to me and I won't pay for higher accounts as I'll just get it there anyway. I'd prefer like a gold or lower but anything is fine.

I'm really just looking for an alt/smurf to practice off roles on that has skins.

Skins I'm looking for/interested in

Reaver

Prime

Rgx

Gaia's Vengeance

Protocol

Ideally the account will come with OGE (original email it was made on)

Send me offers,

My old account has some skins, I'll try to remember to login tomorrow and send a list. I think it had reaver and prime and more

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I'm still looking for an account. Getting sick of queuing on my main.
