Thread: [Botnet with socks5/https proxies feature](#)

**BITCHLESS** - August 6, 2022, 3:19 am

Looking for botnet that can turn bots into socks5/https proxy.

It would be good if it could handle a large number of bots.

**Ph4n70M Phr34K** - August 6, 2022, 3:26 am

socks5 backconnect module

being sold on russian forum, it also has a builder over tor, you can buy from there
