Is it possible to add 6 months with coupon if we are already premium until the end of the year?

You can only redeem when you are not premium sadly.

For LinkedIn profiles, all features are listed on the main page. They are used to find careers/connect with others.

How does it work? coupon code? or will you need to access the account and make something?

There is no risk, it is a promotional link.

Lyricea - August 26, 2022, 11:18 pm

Looks good, will save this for later! I'll be looking for a job in 1.5 years, so it's not really useful for me right now.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
