Thread: [\[HALF OFF\]Lets Make Money - NEVER BEFORE SEEN MARKET \(Make \\$200-\\$400 week\)](#)

SIM-5228299 - August 14, 2022, 7:01 am

Hey! Today I offer you a never before seen market for the HF community.

This method I use to make money daily has never before been offered on hackforums or any forum I've seen!

Details There is some setup which takes about 30 mins. After setup your daily work will consist of about 10-15 minutes of work. (THIS CAN BE SCALED TO MAKE SIGNIFCANTLY MORE MONEY!)

After you purchase my method/guidance there wont be any other expenses, AT FIRST. I will cover your first months expenses, after your first month. Monthly expenses will start at 15-25\$ a month.

This method is 100% legal and can be licensed and taxed if you choose that route, weekly income ranges from \$200-\$400 PROFIT per week. It will make better sense what I mean if you do choose to purchase.

Here is some payouts for a month's earnings, keep in mind each payout isn't 100% profits. I keep my profit margins around 80-90%. The pictures below are from 2 different accounts doing my method, like I mention above this can be scaled extremely HUGE!

Payouts are every 3-5 days, via bank. Which means you'll need a US BANK. If you aren't from the US or don't have US BANK don't worry. There is a workaround, doesn't affect the method, or legality.

I will only be taking on 3 individuals at a time, a total of 10 copies of my method will be sold.

Each Copy WILL INCREASE IN PRICE.

1 VOUCH COPY WILL BE GIVEN TO SOMEONE I DEEM TRUSTWORTHY AND SOMEONE WHO CAN INITIATE MY METHOD UPON CONTACTING ME. VOUCH COPY GIVEN TO @moneymo23

(Aug 14, 2022 09:39 AM)moneymo23 Wrote: [\[CITE\]](#) I received a vouch copy from OP. Here is my initial review:

We hopped on a discord voice call and he went over the method with me. It is a known method in regards to what you will be doing but it has a unique twist that I have not seen at all. This will work and all you need to do is WORK. I have already started the method and the more you work and more time you put in, you will make money. Again its just a matter of time and putting in work. If you expect to make money and not do anything or if you are lazy, this is not for you.

Like OP said, you need to be able to have a US bank account in order for this to work. All tools needed will be shown by OP and you will not need to invest a lot. If you have \$25 - \$30 that should be more than enough. Overall the OP is a very chill and cool person who I will be working with together. This is one of the best methods I have seen in a while. I will be providing an update once I see money come in.

(Aug 16, 2022 01:31 PM)dwalael Wrote: [\[CITE\]](#) Bought this, will say that the seller really works hard to make sure you understand the method and that is appreciated. Shows proof he has made money with this method and it definitely seems reasonable that you can too if you buy the method.

Can't really update it further than this without getting started.

[NEXT BUYER gets HALF OFF]\$250 for full mentoring and resources provided.

will gladly accept any trusted MM. THANKS! [contract=tid]Start Contract[/contract]

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Will this work from India? Do you accept paypal? If yes, I am ready to take the 1st or the 2nd copy whichever is available.

It can work in india yes but i don't accept paypal, unless the money is in your balance. Then we could use a exchanger. Whats your discord?

no you don't give me anything, the bank is used to connect to the payment provider so you get paid.
Its all 100% legal and taxable income.

Do you accept a middleman to hold funds until buyer has earned money with this method?
Considering the speed at which you're advertising a payout, this shouldn't be an issue

The money is guaranteed if you do the work 100%, you would learn that if purchased however if your lazy and choose to not do the work you wont make anything. So to answer your question yes ill use a middleman but only to hold funds until i have taught you method. Its guaranteed pay but im not betting my money on whether your lazy or actually follow through.

Interesting: people keep saying you need to put in the work in order to earn, but you say it's only 10-15min of work per day. Is that enough to earn \$400 per week? What if I put in 2 hours per day..?

2hrs a day, would be significant work and i can see endless possibilities, i can't speak on things i've not done but i can say 3-4hrs of work a week gets me 200-\$400 profit a week!

I'm not? You asked what if you worked 2 hours a day, I said you'd see significant results. However like my thread says if you wanna do \$200-\$400 a week then 10-15 mins a day is plenty of time?

It's been about 10 days since you've left this review, yet absolutely 0 earnings and you've been active since then. If you refuse to show earnings (that are valid) it's safe to assume that you're working with OP or the method just doesn't work as expected. You've received a vouch copy, do good with it instead of leaving a haphazard review that provides no actual tangible proof or information.

No point claiming a VC otherwise.

100% agree, this requires very minimal work daily. But it does REQUIRE some work each day to see results. User who gave review you tagged the first day was really active and started seeing growth. But since then hasn't done a single thing since then. SO the momentum dies when you stop.

I can definitely vouch for Playa and his very unique dropshipping method.

This is a method that I have definitely never seen before and it is indeed very successful. Playa is extremely knowledgable in this field and evidently has years of experience as he knows how to get stores started and earning in a short period of time. Playa is very helpful and offered to hop onto a discord call to explain and screenshare everything to me and show me his personal setup for the many stores he runs.

Playa runs multiple stores which have been grown completely organically and are all successfully bringing in thousands of dollars every month, I believe with an 80-90% profit margin for every store which is fantastic. This is also a completely legitimate business that is legal to do and Playa offers to assist people with this service internationally, meaning anybody can get involved and get started when they are ready to.
