Thread: [Actively Earning/LEGAL Business 4 SALE - \\$200+ profits WEEKLY, PASSIVE INCOME](#)

SIM-5228299 - August 17, 2022, 5:20 am

I'm horrible with designing threads so, i'll keep this short and simple.

I have a method of which im selling, <https://hackforums.net/showthread.php?tid=6217232>

Now what I'm offering via this thread is my already earning account for this method.

The income is legal, taxable and safe. Paid directly to your US bank, if your not from US we can get you setup regardless.

Below I will post some earnings from this account.

I will actively see that you continue to make \$200+ profits and help with setup and maintaining it.

All thats required to continue running it is a PC.

The reason i'm selling is because i've scaled this method to my fullest extent, before hiring VA's. So im unable to take care of this many accounts.

^ heres some recent earnings as i mentioned the acc is just a month old but already pulling great numbers and the momentum is only building.

If your unable to make back the cost of this account your first month owning it then ill refund fully, but asking price is \$500 USD.

Anyone wanna takeover this passively earning business? Ready to make a legal income? LETS GET IT GOING!

The amount of money you can make from this is nothing compared to \$500 however if you check the thread i tagged in this one, i have some vouches and paid users. Thanks anyways buddy.

Posting here to follow up later. I see that people have bought the method, but I do not yet see proof of gains from those other members yet. I would like to see that before jumping on this.

want to stop being broke 24/7 and have a legal and steadily earning income?

Liquidity - August 23, 2022, 5:36 pm

How about you resolve your active dispute instead of bumping threads?

DO NOT BUY THIS METHOD until he's resolved the dispute. :)

What's the point of being desperate that you had to create 2 sales threads for the same thing in this section?

and why not use Stanley to bump your thread instead?

honestly speaking. I highly doubt the potential of your method considering how actively you want to "help peoples makes money". Over the past 12 years here on HF, I've seen thousands of such threads, yet only 5-10% actually make any money to buyers. \$500 is a hefty sum. I'd advise buyers to do the due diligence first.
