Thread: [I'm buying: A Mass Message bot or an idea to spread a Tumblr link. \\$\\$\\$](#)

A13x - August 17, 2022, 7:52 am

I need to spread a Tumblr link.

The blog can be called [anything.tumblr.com/with-anything-here-like-this](#)

Please let me know if you have any ideas how I can spread this link.

I have let's say a \$100 budget for this.

Need a mass spread Not for any bit link or quick link to promote your service, message me here your telegram.

I can maintain traffic for four months

Pretty simple way is By using Mass SMS / Email service . I have targeted fresh usa and other country leads where I can spread your URL by message / email methods . DM Me @yormyth On telegram
