Thread: [1000 SMS Free send-out \[For everyone until 31st August. \]](#)

MythGhost - August 19, 2022, 5:50 am

I am about to start my BULK SMS Service, have done setup my Own SMPP Server. Right Now I am on testing My Service quality and I think , giving out free send-out to People would be the best way to analyze the performance of my server .

So Process is Simple .

? Post here , You are interested and ++

? DM ME your Target 1000 USA Mobile Number leads (You may submit less quantity), I won't accept more than 1000 number request .

? Submit me Your content for send-out.

? I will finish all the send-out, in morning time during - 7 AM to 7 PM .

? All Reports will be privately sent to your DM .

Telegram : @Yormyth

Please Note : I am accepting maximum 30 request and Give-away valid until 31st August (If order volume reached 30* people I will close the thread.

I am still waiting for Customer to try out My Server SMS performance . . .
