SQLi Challenge

Site:<https://www.alpafrika.co.za/index.php?id=81&newsId=18>

Print table and Columns

NARVI - September 9, 2022, 4:20 am

Why spam? redundant post.

kayla_90 - September 9, 2022, 11:38 am

Admin itpl_master ekkzxxxxxtiSTMseEsyLA==

i'm in already with access to the whole database. Purposely i changed 5 letters from the password,remember this is for educational purposes.

Is hosted behind Cloudfare (2 servers)

Kayla

GOD_SLAYER - September 14, 2022, 2:47 am

send some picture or poc it is necessary to confirm

Skorp - November 23, 2022, 1:19 pm

Only posted the important information. Whoever changed again the DB pw again and used salt is a weeb :X

Dolla\$ - December 1, 2022, 2:37 pm

Thanks for the chal

Extra :

UDPz0r - December 1, 2022, 3:05 pm

upload a shell and share it with us ;)

Do it yourself it's ez

Hackers - December 22, 2022, 10:04 pm

Looks like they got completely rooted now

Skorp - December 24, 2022, 11:16 am

' Wrote: Looks like they got completely rooted now

It was only a matter of time before some big bad wolf came and swept the house away xD

pw was pt now so anyone has access.
