Thread: [Aged AWS account \(Chime\)](#)

SIM-5205716 - August 28, 2022, 4:12 am

I'm looking to get full access to Amazon Chime but my account is restricted due to being too recent (1 month) and apparently not much used.

So, I'm looking for an account that will be free of this.

I'm willing to pay 20\$ for it. Please dm...
