Thread: [#1 NFT'S ADVANCED MENTORSHIP - LEARN HOW TO MAKE LIFE CHANGING MONEY - PROVEN PROFITS](#)

Techie - August 28, 2022, 6:00 am

This will be the thread used for my mentorship in NFT's. Contents are still being produced, opening it to be able to take in the people that already pm'ed me to start this. For the next 2 weeks, if you want some specific information about this, my dm's are open.

For more background on this, you can check the thread I made some months ago:

I'll start a contract with you. I am very big in the crypto space but NFTs are not my domain. My thesis is NFTs will have actual use cases next bull market so it is a good idea to learn it during the bear.
