Thread: [FreeCash method \(\\$500 per day minimum\)](#)

skx47147 - September 1, 2022, 10:21 pm

This method can make you a tonne of money depending on some luck but you can make minimum \$500 or so in a few hours due to the large amounts of points the offers give you. I made £400 on my first try and my Fiance made £150 plus 100k points.

If you don't have bytes just post and ask for the method and I will donate you the bytes.

how much initial investment need to be deposited in the casino?

(Sep 2, 2022 07:39 PM)littlemay Wrote: [\[CITE\]](#) how much initial investment need to be deposited in the casino?

The 2 highest paying ones are the 888 and the sky casino and you need to deposit £15 for the 888 and £10 for the sky. They both pay around 40k coins at the time of posting. There are about 6 casino ones worth doing I think they're all about, £10 so doing all once is about £65. If you do them from multiple accounts you'll need to pay that again from each account.

skx47147 - September 5, 2022, 7:01 am

For those saying it's not worth the 10 bytes...

When my full balance clears that will put me in #2 on the leader board. But yeah it's not worth 10 bytes...

When all the offers clear it will be around 450k points plus whatever I win on the 7 day streak plus all free casino winnings. That's \$450 in 7 days BEFORE winnings.

Here you go:

This works from UK account's unsure if the same outside of the US

Step 1: Make an account on FreeCash if you don't already have one.

My ref link if you feel like saying thanks is <https://tinyurl.com/skx472>

If not just sign up normally but you lose out on the bonus.

You want to make about 3 accounts

Step 2: Go to the offer walls and click on the top three

They have a load of casino offers that range from depositing £8-£15

These pay out around 30-40k coins so about \$30-\$40

Step 3: Head over to your casino game of choice but slots works the best

Play the Genie on the Pharaoh slot game and play on £1 per spin ideally you're aiming for the free spins bonus

as this will win you between £50-£500

Step 4: After you have rinsed all the casino games Ladbrokes 888 etc you will have accumulated about 200k coins

plus whatever winnings you have. Then sign in to second FreeCash account and do the same and so on with as many accounts as you can.

Simple as that, GL HF

Here you both go:

This works from UK account's unsure if the same outside of the US

Step 1: Make an account on FreeCash if you don't already have one.

My ref link if you feel like saying thanks is <https://tinyurl.com/skx472>

If not just sign up normally but you lose out on the bonus.

You want to make about 3 accounts

Step 2: Go to the offer walls and click on the top three

They have a load of casino offers that range from depositing £8-£15

These pay out around 30-40k coins so about \$30-\$40

Step 3: Head over to your casino game of choice but slots works the best

Play the Genie on the Pharaoh slot game and play on £1 per spin ideally you're aiming for the free spins bonus
as this will win you between £50-£500

Step 4: After you have rinsed all the casino games Ladbrokes 888 etc you will have accumulated about 200k coins
plus whatever winnings you have. Then sign in to second FreeCash account and do the same and so on with as many accounts as you can.

Simple as that, GL HF

Op is closed. You're going to have to pay for the attachment yourself.
