Official Gaming Club

We are going to begin hosting events that will be available to users both on and off-site. Currently we have a new Club available to join for members who are on Xbox. We will be getting a Playstation one going shortly. In the meantime, if you are interested in joining simply click the link below to be redirected to the Clubs page on Xbox's official site. Club graphics are due to change, tournaments will be held with cash and in-game prizes and you are welcome to invite gamers from off-site. Event details will be posted within the club via an announcement on Xbox Live with enough time to prepare for it. Feel free to post below or contact me for further information. Everyone is welcome.

This is an opportunity to potentially earn your way into the group as well as bring new members to the forum.

I will approve join requests in the morning. Thank you.

If you are a Playstation or PC gamer, please be patient while we organize everything for those platforms. We will be covering several games until we find which ones attract the best turnout and those will become our regular monthly/bi-monthly tournaments.

Currently, we are looking into organizing tournaments for games like; NBA2K23, Call of Duty, Madden NFL, UFC 4, Fortnite, League of Legends, Mortal Kombat, Multiversus, Halo: Infinite/MCC ...and more.

All games that I am really into ?

Will be following this to see what it turns into as I'm definitely interested in a solid gaming group to play with on Xbox.

Once I know there'll be activity and whatnot I'll gladly request to join. I just don't like sharing my gamertag unless I know for a fact I'll actually be using/playing it etc etc.. Absolutely love the idea

though!

Getting some Skill vibes from this ;D [Sky](#)

Already joined this club, not my type of games but I'm always down to try, besides I already own all the Call of Duty games, might as well play them lol

I'm an Xbox player and I'm down to play. - Trouble is I'm from the UK and that ping can be a bitch! I'm close by so the ping shouldn't be too horrible ?

I wouldn't mind adding you tho I haven't played in a while and not sure when I'll even play again now that I'm going to be very busy IRL but it's a nice fantasy ?
