Not offering the service anymore.

[contract=tid]Start Contract[/contract]

Bullup - September 7, 2022, 6:52 pm

Would you be willing to use a middleman who only pays out funds once we've earned on the method?

Because your contracts are for majority exchange contracts or low payment for method contracts, definitely not even anywhere close to 10k.

Check his trustscan, he is an obvious multiuser.
