Thread: [\[\\$\\$\\$\] 200-500% RETURNS IN 12 MONTHS | LIMITED COPIES 0/2 SOLD](#)

This is a pretty unknown method/investment, it requires no ID/KYC/Verification and you can get balance on and off the site in just about any form of payment (crypto/paypal/card/etc.) It works worldwide.

I am looking to share this knowledge with 2 members; entry date is 1-4 months from now (to start the investments) although if you purchase a slot I will get you up to speed right after purchase.

This method is saturatable so I will not be doing any free copies.

Things to note:

As stated above, this method works anywhere in the world, only requires internet and the funds to invest.

\$10,000 is around the maximum I would recommend to invest due to the sell off period (this is a very safe investment), the thing you are purchasing is demanded but you will hold 5%~ of active supply if you're looking to exit after 12 months (this is considered early)

I will fully mentor you through the process prior to the launch and once it is live.

There is a fee on cashing out, it can range from 30-45% of cash value depending on your source. I will provide ideal sources to offload stock.

It requires practically no time investment/work. I will explain the premise pre-launch and you will spend 1-2 hours once it is live.

This has nothing to do with crypto (or even stocks) unless crypto is your preferred deposit/withdrawal method

SLOT 1: \$399.99 (Discounted Vouch Copy) - AVAILABLE

SLOT 2: \$599.99 - AVAILABLE

Hello, this investment will stay for years? Or it have a limit date?

The value will continue to rise or move sideways post the 12 month period suggested, yes although a new opportunity is typically available by then which moves most of the "attention" away from this and makes selling off a slower and more tedious process but the value will hold.

So, it's a long term investment right? That was my initial question :)

XYLA - September 10, 2022, 9:36 am

My main question regarding this is do you accept MM?

It is a 9-12 month hold after entry, yes.

I'll accept MM for the explanation portion, if you feel the knowledge is worth it then funds would be transferred. I will not accept MM until returns are met as that would be 9-12 months after entry as stated above.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

The ability to sell is demand will be around for years, the entry time is limited.

After looking it up I have no idea what this is, looks very sketchy. I'd like to elaborate; this is an open market item and NOT a HYIP or any return promised by the origin marketplace. This is also not NFT's although is a digital item.
