1. Quality of Method/Package Details:

This method can definitely make you some money if you put in the work. OP have shared ready to use 'Resources' which takes some part of the work off your shoulder. Beside multiple methods, OP also shared some bonus method. The buyer have options to choose any method or multiple, whichever they feel easy to get going.

2. Readability of content:

OP have used simple language to make you understand the methods.

3. After sale support:

The OP is friendly and easy to reach through Telegram, HF PM & Discord. The mode of support is 1 on 1 currently. The entire method is working as of my knowledge.

I hope future buyers find it useful to make purchase.

I wish you all the best for all your upcoming sales. Keep up the good work.

Spoiler ([Click to View](#))- I can change these policies whenever I want without an update notice.

- By purchasing, you automatically agree to all of my current and future terms of service.
- Refund option is only available to Elite package; you will have to message me with a clear explanation of why you are requesting a refund. If you message me saying "I want a refund, this method is trash" or anything along these lines you void your support, future updates, and refund option. If the request is unreasonable or I feel it's weird and or suspicious, your refund request will be declined.
- You must wait 60 days before you can attempt to claim your refund policy.
- If you say you "don't have time to execute", "I don't like your method", "I don't think I can do this" the material that was put fourth to you, or request a refund with something similar to those lines your refund request will get declined and no refund will be offered. You must have a clear proof with pictures of proof that shows that you've attempted the material that was put fourth in the course.
- Your refund policy is valid for a full 90 days, if you've purchased Lucrative Profits premium package and after 90 days you request a refund it will be declined as it's passed the deadline.
- If you sales trash you void your lifetime updates, support refund option.

- There won't be an argument for "what is sales trash". If we deem a post is trashing sales then your refund option, future updates, and support will be voided.
- Any type of leaking of the material that has been shared with you will result in your future updates, support, and refund policy becoming voided. On top of that it will result in your private information being entered into the scammer database.

You are talking about "Swiftly profits elite" in your Tos. But as far as I know this item is related to another seller on this sale thread: <https://hackforums.net/showthread.php?tid=6048004>

Is there anything that we are missing here?

So did you attempt it or just read the materials?

I'm also sceptical of people that throw in "bonus methods" purely because if the method being sold actually produces results there wouldn't be a need for bonuses, this has been my experience anyway.

Regardless, GLWS.

Hello, the bonus methods I add, are for the sole reason that sometimes one of the methods isn't available in your country.

The voucher let me know that there is one method that wouldn't work in Asian countries for example, and that would be the reason why I add extra methods for people like that.

Cheers

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
