Emilia Clarke is it for me.

Don't care what anybody else thinks.

Definitely Emilia Clarke. Especially with the blonde hair. That girl Jon Snow ends up marrying, the wildling, she is a very close second.

Had to search the cast but first glance would be Sophie Turner. That would do it for me

Emilia Clarke aka- Daenerys Stormborn of the House Targaryen, Rightful Heir to the Iron Throne, Rightful Queen of the Andals and the First Men, Protector of the Seven Kingdoms, The Mother of Dragons, The Khaleesi of the Great Grass Sea, The Unburnt, The Breaker of Chains.

I liked the witch but hated her when she revealed her true form the old witch.

For me it's always been Emilia Clarke my top choice and Emilia Clarke would be on my 2nd spot.

I personally don't find Emilia Clarke to be that attractive.

For me its Lena Headey, though the actual actress only, not the queen.

Maisie Williams then emilia

But both nice

I think Emilia Clarke would be my top choice as well. 2nd place would have to be Emilia Clarke and 3rd place would be 100% Emilia Clarke ?

Natalie Dormer a baddie not gonna front

Godofcrypto - March 20, 2024, 11:53 am

It is very old thread but I am voting for Sophie Turner.

However, Emilia Clarke in blonde hair is absolute killer, no doubt.
