We mostly do money line and player props. We do sports betting (10 years) and do them good. No BS. Come try out the service if you want to see for yourself. We'll have a 5 day free trial offered as an introduction offer so take advantage while you can.

I have a few listed on Telegram. It needs player props. Bovada is the best. I have private bookie as well, if needed.

Im interested do you have any data showing your success?

What percentage of the time do you cash?

We don't keep percentages. I have all of my calls available for viewing. I know lots of betting callers like to give out percentages, but it's not realistic. You also have to think of odds and payout.

Month over month we are profitable. Come try a trial :)

Stanley - October 23, 2022, 7:43 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
