Thread: [Pure Miner v4 | Source Code |](#)

Leak ? - September 18, 2022, 6:59 am

Was browsing internet and found this source code, why this product is on sale if source code is leaked ?

First of all the .sln solution file was masked with a .scr which in windows is executable. There for you would have been infected if you run the fake solution.

.src spoof
project?nls.scr

webdev77 - September 18, 2022, 9:12 am

Infected, do not use.
