Thread: [\[5 Winners\] League of Legends Script | Evade | Auto-CS | Combo | + Much More!](#)

Lyrice - September 19, 2022, 9:16 am

Hello,

I am selling a script for League of Legends and I want to give away a few keys for it. I am picking 5 winners on the 26th of September.

The keys will be for 1 day, which is plenty for making some money boosting some folks.

Not sure [Lyrice](#) is still doing this giveaway as it was originally posted in September. I play League every day and surprised I never saw this thread.
