Thread: [HOTMAIL ODAY EXPLOIT PW RESET](#)

twistedgothic - September 24, 2022, 12:20 am

I have found a 0day exploit to bypass verify your info page on login to any microsoft email, if you can login but forgot the alt email or number on file i can add any email or phone you wish and reset password for you instantly. bypassing all security.

offering my services for today and see how it goes.

Requirements MUST know current pw.

[contract=tid]Start Contract[/contract]

Price is negotiable. crypto and cashapp only.am doing this for you as a service. i Will gladly use mm / and or you go first. Offering 1 vouch copy to someone i deem trusted to vouch for this if it goes well i will continue to do this service. until i cant exploit it nemore
