Hi there,

You are very welcome, PM me or contact me through telegram i just accepted your contract!

Purchased the 500 test bots.

Verdict: 10/10!!

High quality international loads, efficient service and smooth transaction on Telegram.
Most are CPUs, but I still got some GPUs and high-end GPUs (RTX for instance).
Around 80-90% of them are actively mining in the same time.

Vozuth is patient and strongly reactive, very fast service!!

Definitely recommended, and I will buy more again for sure.
Thank you Vozuth :)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
