Thread: [What anime have you watched this summer season?](#)

Livewire - September 26, 2022, 1:40 pm

Which anime have you kept up with this summer season, and what ones are you looking forward to for the fall?

Wrapped up re:zero - Starting Life in another world, as well as Mob Psycho 100, hopeful that last one gets another season. Been slacking this summer season on finishing a lot of good ones though. I need to catch all the way up on Overlord, as well as shield hero, but the last season of that one was really not holding me like the previous.

Was re:zero worth finishing up? I paused on it.

Overlord and shield hero both kinda disappointed me.

Definitely worth finishing up, they do a good job of wrapping up all the loose ends.

That's what I was worried about. It seems all over the place for a while.
