Thread: [Starting anew in OSRS.](#)

ENVi0US - September 28, 2022, 3:50 pm

So after a lot of consideration, I think I'm going to go through with starting a new account on OSRS.

I haven't played in a long time so I'm hoping I can get the hang of it again pretty fast.

Who else plays? Anyone into it for the Quests/PvM?

Or is there mainly only PKers around anymore?

I'll consider joining and playing with you.

I played for years back in the day.

I wish I would have known about this beforehand - I would have waited. However, account is made and Tutorial Island is completed.

Thanks for the heads-up, though. I may end up making another new one when that starts just for shits and giggles.

We should definitely start at the same time.
Would be more interesting that way.

I have a max level (combat) on RS3, but RS3 is lame so I don't play it.

I don't play any runescape these days, but I still keep up with the new content/events through a few youtubers. I don't personally see the point in these fresh start worlds but here we are

It kind of makes sense because I'm sure a lot of people, in-game and IRL, were going bankrupt thanks to that.

But I agree they should remove the restriction.

Now imagine same as ironman: "OMFG OMFG OMFG OMFG BEST IN SLOT SHIELD UNTIL IM MAXED OMFG MY DEFENCE JUST WENT UP LIKE 50 FUCKING PERCENT GUYS GUYS COME FUCKING DISCORD I GOTTA SHOW YOU NO FUCKING WAAAAAAAAAAAAAAAAAAAAAY" - or equivalent reaction xdd

3. You get to tell your [BRAND NAME REMOVED] dates that you're an ironman, and if they don't get under the table at that very moment you know not to waste any more time on that hoe

1) I thoroughly enjoy every aspect of the game as it stands, no matter the game-mode.

2) I feel very accomplished NO MATTER the drop, even if it's just a magic seed. shrugs I don't take anything for granted when I'm playing a game from my childhood.

Also, if you are wanting any help with making graphics for the clan, or other help in general feel free to PM me I'd love to collab on something.

5 Already is a decent start so we are indeed off, and running, but the sweet spot would be to start around 10 registered members. We should also come up with a sign up form to keep things a little more organized in the event this gets to be a popular thing.

Looking forward to this!

I was thinking about the same on playing Osrs, I have a decently high lvl account in rs3, perhaps I can grind 99s first idk

Got banned from wow for rmt so I need a new game

(Sep 28, 2022 03:50 PM)ENVi0US Wrote: [\[CITE\]](#) So after a lot of consideration, I think I'm going to go through with starting a new account on OSRS.

I haven't played in a long time so I'm hoping I can get the hang of it again pretty fast.

Who else plays? Anyone into it for the Quests/PvM?

Or is there mainly only PKers around anymore?

I play osrs on mobile

A good friend of mine also plays on mobile, and has never played any other way.

He has gotten a good bit of progress done with only using mobile, I have to give him props. It couldn't be me, lol.

I suppose it's a good thing that I've never been a huge fan of PvP or the Duel Arena, but I also don't have the patience for tasking on mobile.

I will be honest with you bro, i create new accounts and leave bots to make money, every 16-20hours i trade items and gold from new acc to main and then I level up my skills if that makes sense haha

You know, I never thought about doing it that way. Thanks, lol!
